Oakmont Asset & Content Register

Introduction & Use

Asset & Content Register
Keeping your details, contents and assets secure

- Furniture, jewellery, electrical & electronic items, garden ornaments and inherited items - you can register all your important assets and belongings that matter to you and your family on the Asset and Content Register.

- If they're lost or stolen, the team will provide you, or anyone else who needs it with details and photographic evidence of your assets and belongings.

Secure Access

Access to your personal Register is via your web browser
[Internet Explorer or FireFox] using the URL provided in your welcome
Pack. This will be in a format similar to the URL below.
Each register is unique and can only be accessed using your personal
User Name ID [eg 300200001] and password.
